## Notice Regarding the Blue Valley Wellbeing Program

The Blue Valley Schools USD #229 Wellbeing program is a voluntary wellness program available to all benefit-eligible employees and covered spouses. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you and your covered spouse choose to participate in the Wellbeing program you and your covered spouse will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You and your covered spouse will also be asked to complete a biometric screening with your physician, which will include a blood test as part of a routine preventive visit to be determined by your physician. You and your covered spouse are not required to complete the HRA, participate in physician biometric screening, blood test or tobacco cessation program.

Employees and covered spouses who choose to participate in the Wellbeing program will not be assessed the Wellbeing payroll deduction of \$60 per employee and/or \$60 per spouse per month in the following calendar year if enrolled for health insurance at Blue Valley Schools USD #229. Although you are not required to complete the HRA, participate in the biometric physician screening or the tobacco cessation program, only employees and covered spouses who do so will not be subject to the Wellbeing payroll deduction in the following calendar year if enrolled for health insurance at Blue Valley Schools USD #229.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. **You may request a reasonable accommodation or an alternative standard by contacting Elena Super, Blue Valley Schools USD #229 at 913-239-4674 or [esuper@bluevalleyk12.org](mailto:esuper@bluevalleyk12.org).**

The information from your HRA and the results from your physician biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as the Blue KC A *Healthier You* online tobacco cessation digital coaching program. You also are encouraged to share your results or concerns with your own doctor.
